

Web Developer

Salary £ Negotiable DOE

We're seeking that special someone to deliver stand-out digital projects with seamless user experiences.

You have 3+ years' experience in

- HTML5
- CSS3
- CSS pre-processing (SASS/LESS)
- Javascript
- jQuery
- Wordpress CMS
- XHR/AJAX requests
- Single-page/parallax design
- UX/UI principles
- Code versioning systems (Git preferred, SVN acceptable)
- SEO
- PHP, MySQL & NodeJS (ideal but not essential).

You are

Nice, bright, outgoing & meticulous with an eye for design & a mind for conundrums.

You get

- The chance to work in a top creative agency with diverse & exciting clients
- A lovely, supportive studio team
- Great music, decent coffee, tasty treats & competitive ping pong... ahem... table tennis
- Time off from Christmas to New Year, on top of your standard leave allowance
- Fabulous cafés, shops, parks & river views in sunny West Bridgford
- Free parking.

Sounds good?

To apply for this position, please send your CV (stating your current salary), along with links to examples of your work to careers@m360.co.uk
